

**Mr. Bernard Lim**

Vice President & Honorary Treasurer

CEO & Executive Director, Tai Sin Electric Limited

With over 25 years of industry expertise, Bernard Lim possesses extensive experience in the electrical & electronic engineering (EEE) field as well as in the testing, inspection & certification (TIC) industry. Mr. Lim provides strategic planning, corporate & business development, and general oversight of the group's operations. He has raised Tai Sin Electric Limited's profile in the Southeast Asia Region by driving mergers & acquisitions (M&A) and spearheading corporate and business development initiatives.

Under his guidance, the company has grown from a single entity to a business group comprising 19 companies. This growth was achieved through a combination of M&A activities and successful startups. Today, the Group operates in seven countries across Southeast Asia, with 24 offices and a team of over 1,000 staff members. Mr. Lim holds a Bachelor of Arts (Social Sciences) in Economics and Sociology from Curtin University of Technology in Perth, Western Australia. Additionally, he earned a Masters of Business Administration from the Strathclyde Graduate Business School at the University of Strathclyde in Glasgow, Scotland, United Kingdom. He also completed the Scale-up SG Wharton Executive Programme at The Wharton School, University of Pennsylvania.

Mr. Lim has on behalf of the Group received several awards throughout his career. These include the SkillsFuture Employer Award (Non-SME), the People's Association Community Spirit (PACS) Merit Award, and the Company Workforce Transformation Recognition Award from Singapore Polytechnic. Mr. Lim serves on the Electrical & Electronic Standards Committee of the Singapore Standards Council. He also serves as a member of the Singapore Business Federation (SBF) Jobs and Skills Advisory Committee (JSAC). Additionally, he has been appointed as an Industry Advisory Board Member of the Singapore Institute of Purchasing.

Outside of his professional responsibilities, Mr. Lim served as a General Council Member of the National Arthritis Foundation and a Member of Temasek Primary School's Advisory Committee.
