

Mr. Melvin Tan

Vice President & Honorary Secretary, SMF
Chairman, SMF Sustainability Function Committee
Chief Executive Officer, Cyclect Holdings Pte Ltd

Melvin is the Chief Executive Officer of Cyclect Holdings Pte Ltd, where he has been instrumental in the company's remarkable growth since his appointment in 2005. Under his leadership, Cyclect has expanded its operations across seven countries and established itself as a leader in providing innovative and sustainable engineering, construction, maintenance, and operations services. The company specialises in infrastructure, industrial, and marine sectors, with a strong focus on energy solutions, automation-robotics, and industrial digitalisation.

Cyclect's success and Melvin's leadership have earned the company numerous prestigious awards, including the WIPO-IPOS IP Awards, Enterprise 50 Awards, ASEAN Business Awards, Singapore Sustainability Awards, ASEAN Best Electrical Contractor Awards, and the Singapore Prestige Brand Award. These accolades reflect the company's commitment to excellence and sustainable business practices. In addition to his role at Cyclect, Melvin is actively involved in several professional organisations. He currently serves as the Vice Chairman of the Singapore Manufacturing Federation SME Centre, Vice President of the Association of Process Industry (ASPRI), Chairman of the Manpower Subcommittee within the Singapore Business Federation SME Committee, Vice President of the Enterprise 50 Association, and a member of the Young Presidents' Organisation.

Melvin holds a Bachelor's degree in Business Administration from Simon Fraser University in Vancouver, Canada. He has also received multiple honours for his leadership and contributions to the industry, including the ASEAN Business Awards, ASEAN Federation of Electrical Engineering Contractors' Best Electrical Contractor Award, and the Asia Corporate Excellence & Sustainability Award, among others.

With his extensive experience in business start-up and growth, corporate development, acquisitions and divestitures, Melvin is renowned for his expertise in management, construction engineering, and product development. His strategic vision, technical acumen, and leadership have been key drivers in Cyclect's continued success.
